RESTAURANT

*, Hearty & full of flavor
the menu for
Tyrolean moments of enjoyment.*

***Eating is more than just getting full –
it's a piece of joie de vivre.***

Nice to have you here.

This is not just about food, but about enjoyment.

About what often gets lost in everyday life:

*time for each other, good conversations, a genuine laugh. Feel free to
leave your phone in your pocket, take a break, and enjoy honest Tyrolean
cuisine, fine specialties, and real quality time with the people at your
table.*

*Sometimes it's exactly these moments
that stay in our memories the most.*

Treat yourself. Take care of yourself. And above all: enjoy it!

*Your hosts, Katrin and Christoph Brugger – together with our wonderful
team – wish you a delightful time at Restaurant Austria.*

Where it comes from makes the difference.

Regionality you can taste. We place great value on quality, honest craftsmanship, and responsible handling of food. That's why we know exactly where our ingredients come from:

- *Meat from butcher Knauer in Brixen im Thale*
- *Free-range eggs from Hof Unterschweiber - the Schwaighofer family in Niederau*
- *Potatoes from Wieserhof - the Wieser family in Natters*
- *Fresh vegetables and additional potatoes from Thaur - from various dedicated local farmers*
- *And many other products we source from farms and producers in the region*

Freshly cooked, prepared with love - without compromise.

Where it comes from makes the difference.

Because we are convinced: good products, animal-friendly farming, and honest craftsmanship have their value. And that's exactly what you can taste.

Authentic. Regional. Honest.
